Devotion Leaders should give Devotion at both Sunday services or arrange a substitute.

Devotions should be around 3 minutes.

Prepare communion trays for both Sunday services; six congregation trays, one server's tray and one juvenile church tray. On 1st and 3rd Sundays completely fill the server's tray to serve the Choir. Serve the Choir after the Servers. Use 3 trays for early service. Refill trays from early service to provide 6 trays and server tray for second service.

Fill cups to line of tray insert cup holder, about ½ full. Full cups are difficult to handle without spillage.

Add bread to trays the morning of services. This prevents stale taste due to drawing moisture overnight in refrigerator.

Servers are not prescheduled. If you want to serve, take one of the server badges from the badge board. John Spatafora and Ryan Gravemann will ask for server volunteers as needed.
